Welcome to the Eastern Crabbet Arabian Horse Society

## CRABBET CELEBRATION XVII

We invite you to join us for a weekend of relaxed, fun-filled horse showing and camaraderie. Come and experience that long ago feeling of what it was like to go out and “show off” your horse. Come and meet the beautiful Arabian horses up close and personal. There will be young ones, old ones and everything in between. If you have an Arabian, chances are good that Crabbet bloodlines are running through those veins.

Fair Hill is a 5,633 acre Natural Resources Management Area, where multiple management practices are employed for the maximum use and protection of Maryland's natural resources. Bordered by Pennsylvania to the north and less than one half mile west of Delaware, Fair Hill is known for its pristine fields, woodlands and natural beauty.

At one time, one of the largest private land holdings in the East, Fair Hill was formerly owned by William duPont, Jr., an avid equestrian who acquired the farmland as a means to enjoy riding as well as fox chasing. Fair Hill was purchased by the state in 1975 from Mr. duPont's estate.

## John W. (Jack) Sims YOUTH CHALLENGE

We are excited and pleased that we have entered our third year of the Youth Challenge Program. The Youth Challenge is intended to be an ongoing program that will encourage youth ages 12 and under (Juniors) and ages 13 through 18 (Seniors) to participate in a project that includes Crabbet Arabian horses, along with the support and guidance of an ECAHS mentor.

The Youth Challenge was created in memory of John W. (Jack) Sims. Jack was an active member of ECAHS and a strong supporter of educating, training and encouraging youth participation.

The Committee was excited and pleased that in the first year we had eight youth to participate. For 2009, two youth participated and for 2010 there are four participants. Keep an eye on the show ring for some of our past and present Youth Challenge participants. Encourage the young people in their efforts with horses and talk to them about their ambitions and goals. Let them know we are interested in helping them achieve their dreams.

You can support the Youth Challenge by purchasing a Youth Challenge T-shirt or by purchasing a 50/50 Raffle ticket. Please

encourage your youth to enter. Details of the Youth Challenge requirements and a timeline may be found at: [www.ecahs.org/youthchallenge.pdf](http://www.ecahs.org/youthchallenge.pdf).

*Note: Saturday is Jack Sims Youth Challenge T-Shirt Day. Please wear your Jack Sims T-Shirts on that day as a show of support. (Shirts may be purchased at the event, if you don't already have yours.)*

*Also, you may further honor Jack by Sponsoring a Class in his memory, or in honor of the Jack Sims Youth Challenge – (see Sponsorship & Patron Package form at the end of this document)*

In addition to the Jack Sims Youth Challenge, this year we are hosting two more contests for our young people; a Youth Essay Contest and an Art Poster Contest.

- For all other age groups essays need to be a minimum of 2 pages in length, but no longer than 5 pages.

## THE EASTERN CRABBET ARABIAN HORSE SOCIETY CERTIFICATION INFORMATION

In order to show horses in the ECAHS specified classes, they must be certified to be at least 25 percent Crabbet/Blunt breeding. This is accomplished by pedigree research by the ECAHS Certification Committee and the percentage will be provided to two decimal points rounded to two decimal places (for example 79.54 percent). Many horses that are not thought of as being "Crabbet" have the qualifying amount, so check carefully.

To have a horse certified by the Eastern Crabbet Arabian Horse Society, send a copy of the front and back of the AHRA, IAHA or AHA registration certificate and/or a pedigree if it is not contained on the back of the registration certificate. If sending a pedigree, please include the foaling date, color, sex and REGISTRATION NUMBER. Mail the information and check made payable to ECAHS to:

**PAT BOBB, CERTIFICATION COMMITTEE**  
86 WHITE ROAD  
COLUMBIA, VA 23038  
804-375-3153

The cost of certification is **\$5** per horse for members of ECAHS, and **\$10** per horse for non-members. The fee supports the printing and postage of the ECAHS certificate, which is suitable for framing. The ECAHS certificate indicates the percentage of Crabbet blood in the horse and this will entitle you to participate in ECAHS events providing your horse is at least 25 percent Crabbet/Blunt breeding. If your horse does not qualify for certification, that is, if it fails to meet the 25 percent requirement, your fee will be refunded.

### NOTE:

When you receive the Futurity information from the Futurity Chairperson, you will note that foals, to be eligible for the Futurity, must contain at least **50 percent** Crabbet/Blunt bloodlines for purebreds and **25 percent** for partbreds. The Futurity Committee will send **\$5** of the **\$15** mare nomination fee to ECAHS and you will receive a temporary futurity foal certificate. When the foal is registered with AHA please send a copy of the certificate of registration to:

**PAT BOBB, CERTIFICATION COMMITTEE**  
86 WHITE ROAD  
COLUMBIA, VA 23038  
804-375-3153

and you will be issued a permanent certificate at no additional charge.

## GENERAL RULES FOR THE CRABBET CELEBRATION

**ABUSE:** Abuse, in any shape or form, to horses or any animal or person on the show grounds will not be tolerated. If an incident of abuse is observed, it should be brought to the attention of a member of the SHOW COMMITTEE identified by their name badges. The incident will be promptly investigated and disciplinary action taken if warranted. Disciplinary action may include, but is not limited to, forfeiture of all fees and expulsion from the premises and suspension from ECAHS membership.

**ELIGIBILITY:** The only part of the Crabbet Celebration that is strictly limited to Arabians with 25% or greater Crabbet bloodlines is the in-hand halter division-both regular and sport horse. Dressage and all performance classes are open to all breeds. If your horse has Arabian bloodlines, you are encouraged to have its pedigree researched to certify its percentage of Crabbet blood (to certify please see Page 9) . The Crabbet Stud exported Arabians worldwide, and many American-owned Arabians meet the 25% criteria. Our regular in-hand classes are judged using a point system. Two sets of awards are presented: 1) first through sixth, and 2) gold, silver and bronze medals based on points. It is possible to have three or four medals of a particular color given out in each class. In addition there is the Al-Marah Challenge Trophy for the high point in-hand Arabian shown by its breeder.

**BREED CONFORMATION RULES:** The NO WHIP rule is encouraged. Horses shall be shown with natural neck and head positions. Exhibitors are encouraged to show their horses unclipped and natural in all classes. Horses are to be shown in hand at a walk and trot. Horses are to enter at a walk. Halter horses are not to be stretched. A horse is considered not to be stretched if all four feet are flat on the ground and at least one front and one rear cannon bone are perpendicular to the ground. A horse must be handled and shown throughout the entire class by the same person except in the case of illness or injury to the handler. MAKEUP, excessive GREASE, BALDING of the face or eyelids, etc., are grounds for disqualification. Horses are to be on a loose lead and allowed to MOVE OUT and SHOW OFF.

## CLASS SPECIFICATIONS

**DRESSAGE CLASSES:** *ECAHS* certification is not required. Open to all breeds. Times will be assigned each entry and will be available from the secretary the Wednesday before the show (September 1, 2010). The class schedule will be posted outside the Secretary's booth. Riders will specify on the entry form which test they would like to ride. Ride times will be assigned. At their assigned time, the rider will enter the ring and ride the test just as he/she would at a rated show. Callers will be allowed.

**IN-HAND/FUTURITY CLASSES:** Horses to enter at a relaxed walk in a counterclockwise direction. Each horse must clear the gate before striking the trot. The horse shall trot until reaching the judging area.

**SPORT HORSE CLASSES:** The class schedule will be posted outside the Secretary's booth. Horses to be shown individually on the TRIANGLE. Each entry will approach the judging area one at a time, walk to the apex of the triangle and stand for conformation judging and at the judge's request to proceed on the triangle. The handler will lead the horse on the perimeter of the triangle at the walk and trot, returning to the apex to stand for additional conformation judging or to repeat any movement at the judge's request. The horse is to be shown in an open position for conformation judging, i.e. with all four legs of the horse visible to the judge when standing on either side of the horse with the horse's neck in a natural position and the handler standing away from the horse with a loose lead. A whip may be used to guide the horse. Excessive use of the whip or actions that may disturb other entries shall be severely penalized. Bridles are optional on two year olds and mandatory on horses three years old and older. The bridle shall be dressage or hunter type with a snaffle bit, with or without cheeks, keepers allowed, reins and headstall with throatlatch. Noseband is optional. A split or single chain may be used with/or instead of reins. Horses under the age of two must be shown in plain leather stable halters.

**DR. ALDRED'S RULES for LEAD-LINE/PONIED LEAD-LINE CLASSES:** *Safety helmet required.* Lead-line classes are open to children 7 and under. To be led in the class by an Adult or Older child. To be shown at a **Walk** both ways of the ring. In the line-up, the leader shall be asked to drop the lead to the ground and step back to demonstrate proper manners of the lead line mount. Judge may ask simple questions of the exhibitors. Tack shall be standard English or Western and suitable size for the child and mount. Equitation to count 50%; Suitability and Manners of mount to count 50%. Trophy and six ribbons are awarded. Participation prizes (e.g., grooming equipment – brush, curry, mane comb, hoof pick) to be awarded to all exhibitors. **Ponied lead-line:** Children 8 and under will use the same rules as above. To be led by an accompanying Adult or Older child on a second horse both ways of the ring. To be judged on Equitation, Control of mount and Suitability. Tack to be standard (as above). Exhibitors may be asked either questions or to demonstrate simple skills.

To enter the ring in a counter clockwise direction at the walk. To be shown both directions of the ring at a walk only. Judges may request riders to individually back their horses at the lineup.

**THERAPEUTIC LEAD-LINE:** The rider requires impairment that would interfere with riding independently in a group. Side-walkers may assist. The side-walkers can have physical contact with the rider for safety purposes only. The assistants can give verbal and physical cues to the rider to help them understand the task and safety.

**NATIVE COSTUME:** Riders must have complete control of the horse at all times. To enter the ring in a counterclockwise direction at the canter. To be shown at the walk, canter and hand gallop.

**OPEN WALK CLASS:** To be shown at a walk only both ways of the arena. Designed for beginner riders at their first show. To be judged on the rider's position and control of the horse.

**WALK/TROT CLASSES:** To enter the ring in a counter clockwise direction at the walk. To be shown both directions of the ring at a walk and jog/trot only. Judge may request riders to individually back their horses at the lineup.

**BEGINNER RIDER CLASSES:** Open to riders of any age in their first year of showing only who have never shown in any class requiring entries to ride collectively. Riders to enter the ring in a counterclockwise direction at the walk. To be shown at the walk and trot/jog only. To be judged on the rider's position and control of the horse.

**HUNTER HACK:** Will consist of flat work and two fences. To enter the ring in a counter clockwise direction at the walk. Class will be judged on an even hunt pace, manners, way of going and jumping style.

**SPORT HORSE UNDER SADDLE:** To be judged on proper movement, conformation and manners, based upon the horse's suitability to be a sport horse. Gaits are to be evaluated in terms of purity, quality and correctness. Correct gaits are more important than those that are merely superficially flashy. To enter the ring counter clockwise at a walk. Horses shall be judged at the medium walk, working trot and working canter in both directions. Free walk may also be required by the judge.

**GO AS YOU PLEASE:** To be shown at a walk and one other gait in both directions in the ring.

If the horse breaks into a lope or canter, rider has 3 strides to bring horse back to walk or jog, or a five (5) second time penalty will added to the ending time. A 5 second time penalty will be added to a rider's ending time if a barrel or pole is knocked over

**RIDING SCHOOL DIVISION:** Open to riders on horses/ponies being used in a school program.
