President's Corner:

Dear ECAHS Members & Friends:

Celebration XIV is over and I want to give a giant thank you to everyone who helped to make it a success. There are too many names to mention. We will be publishing the class results in the upcoming issues of the AH News, and of course on our web site www.ecahs.org.

Now that the Celebration is over we are going to focus on finalizing the by-law changes, and getting prepared for the annual meeting in November.

We know that Celebration XV will be in Wakefield Virginia in 2008, and it is never too early to start thinking about being part of one of the show committees.

Just a reminder to please keep sending in news about your farm and horses.

We will talk with you all soon.

ECAHS Certification Process

In order to show your horses at ECAHS sponsored events, they must be certified to be at least 25% Crabbet/Blunt Breeding. This is accomplished by pedigree research by an expert and the percent will be provided to two decimal points rounded up (for example 79.54%). The percentage requirement of Crabbet/Blunt blood to be eligible to be certified is 25%. Many horses that you would not think of as being "Crabbet" have the qualifying amount so check carefully.

To have your horses certified by the Eastern Crabbet Arabian Horse Society, you should send a copy of the front and back of your AHRA or IAHA registration certificate and/or a pedigree if it is not contained on the back of the registration certificate. If you are sending a pedigree, please include foaling date, color, sex AND REGISTRATION NUMBER.

The cost of certification is \$5.00 per horse (\$10.00 per horse for non-ECAHS members) which supports the printing of the ECAHS certificate, which is suitable for framing. You will receive an ECAHS certificate indicating the percentage of Crabbet blood in your horse(s) and this will entitle you to participate in ECAHS events providing your horse(s) is at least 25% Crabbet/Blunt breeding.

Send information and a check made out to ECAHS in the appropriate amount, to Pat Bobb, Certification Committee, 86 White Road, Columbia, VA 23038
