News from Whispering Hope Farm

Whispering Hope Farm hosted an informal practice event to help prepare FFC Dundee for the trail in hand class at the Celebration. We are proud to show what a number of our horses are able to accomplish! Some of the obstacles that we had were water, a tarp on the ground that had to be crossed, a teeter-totter, big and small balls to push around, going over rails, a scary bridge, and last but not least Buzz Moore!

The horses & handlers pictures are:

Sandra Cook on her paint, Cole. Sandra Cox with WH Vanzee That and the participants on foot are Debra Prior, Buzz Moore and Noelle Braun with FFC Dundee.
